Shared Decision Making Team Meeting minutes
November 9, 2009

Meeting time: 3:15 – 4:25 p.m.; Main Campus, C112B

Present: Joe Cirillo, Lorry Hohenforst, Dale Hulst, Victoria Panetta, David Patterson, Carol Pifko, Darcy Shifferli, Nancy Turnbull

The team welcomed our student representative, Victoria (Viv) Panetta.

Mike Andrews addressed the group regarding the highway spring and fall cleanup. A letter of intent is due back by December 31 with a list of clean-up team members. Orange vests, sticks and gloves are supplied to the cleanup team. Mike will reach out to Tom Antis to have information about the cleanup and signing up on the website. If we have enough staff for the cleanup, Mike will make sure that the sign on Route 29 is changed from HFM BOCES CTE to HFM BOCES. We will review the response to the cleanup request at the next meeting.

The team made some changes to the SDM plan. We will look at a draft with the changes at the next meeting and continue reviewing the plan, particularly pages 7-9. Lorry will seek samples from other BOCES.

Meeting adjourned at 4:25 p.m.

Next meeting: December 14, 2009, room TBD, 3:15 – 4:30 p.m.
