On behalf of the Board of Cooperative Educational Services, I respectfully submit for your review the 2020-21 HFM BOCES Budget Book, which outlines our proposed budget for next year. After much work developing our proposal, we present to you an administrative budget with a 1.4 percent increase from our current year.

In the past, we have welcomed your questions and comments regarding the budget during our Annual Meeting and Dinner held each April here on our campus. This year's meeting was originally scheduled for April 1.

This year, as part of our efforts to stop the possible spread of COVID-19 (coronavirus), our Annual Meeting will now take place via the online platform WebEx. Component school district board members and administrators will be welcome to log on and view our live budget presentation and will also have the opportunity to ask questions during the event.

During the online meeting, I will present how our proposed budget was developed and how our component district chiefs worked with us during the process. Chief Financial Officer Kathi Lewis will also be present to address any questions or concerns you might have, as well. Instructions on how to view the meeting will be provided to the component superintendents to share with board members.

Since becoming the HFM District Superintendent this summer, I have worked closely with our administration, our board and the component school superintendents to ensure our services are aligned with district needs. During the budget development process, we continued to work in cooperation with our districts keeping our commitment to be a partner, an advocate and a leader for our region.

By statute, each component board of education will vote on the administrative portion of the HFM BOCES budget on April 29. At that time, our component boards will also elect three members to the BOCES Board of Education.

Since the inception of the BOCES Reform Act in 1993, HFM BOCES has enjoyed unanimous support for its proposed administrative budget each year. We hope to maintain that significant trend, and we look forward to seeing you at our online Annual Meeting.

If at any time, you have specific questions regarding the proposed budget please feel free to contact me or Chief Financial Officer Kathi Lewis at (518) 736-4310 or by e-mail at klewis@hfmboces.org.

In partnership,

David Ziskin

### **BOCES AS A PUBLIC EDUCATION PARTNER**

In 1910, the New York State Legislature established supervisory districts to expand oversight by the Commissioner of Education. Today, 37 supervisory districts each house a BOCES (Board of Cooperative Educational Services), authorized to establish shared educational services among the schools comprising the supervisory district.

The Hamilton-Fulton-Montgomery BOCES was established in 1967, merging three previously separate supervisory districts in Hamilton, Fulton and Montgomery counties. The BOCES comprises 15 school districts and a 1,724-square-mile territory.

BOCES are unique regional organizations with flexibility to provide a variety of cost-effective educational and administrative services.

Those services are designed as an extension of the local district and are regulated by the

Commissioner. Prior to providing a service, the BOCES must receive the approval of the Commissioner by submitting a proposed programmatic and financial operating plan for the service, known as a COSER (Cooperative Service Request).

With the exception of administrative costs and capital rental charges, all services are subject to annual decisions of the component districts. Each year, every local school board has the option to maintain, increase, decrease or withdraw from any service. The total budget equals the sum of individual contracts between the BOCES and component school districts, plus grants and state/ federal projects.

Each district's share of the Administrative and Capital budgets is based upon the proportion that its students represent of all students in the threecounty region, based upon the state's calculation of Resident Weighted Average Daily Attendance (RWADA). The scope of other services purchased by a district does not influence these proportions.

Component districts are eligible to receive BOCES aid on most administrative, capital and program expenditures, subject to certain restrictions. BOCES aid is based upon the prior year's approved expenditures, while facilities and rental aid is based on current-year expenditures. BOCES aid is wealth-equalized; thus poor districts receive more aid than wealthier districts.

# **EXPLANATION OF BUDGET LINE ITEMS**

Below you will find descriptions of the budget categories as they are presented on the budget pages in this document. These budget classifications are prescribed by the New York State Department of Audit and Control for use by all Boards of Cooperative Educational Services.

#### **Instructional Salaries**

This category includes salaries of Board of Cooperative Educational Services personnel who are employed in positions requiring certification by the State Education Department. These individuals are generally members of the New York State Teachers' Retirement System. Salaries of teachers, teacher assistants and administrators are reported in this category.

#### **Non-Instructional Salaries**

This category includes the salaries of Board of Cooperative Educational Services personnel who are employed in positions that do not require certification by the State Education Department. These positions generally are classified under the state and county Civil Service commissions, and these individuals are generally members of the New York State Employees' Retirement System. Salaries of clerks, secretaries, teacher aides, custodians and bus drivers would be reported in this category. Also included in this category are certain positions which require licensing by the State Education Department, but which do not require certification (e.g., physical therapists).

#### Equipment

This category includes costs for the purchase of equipment and furniture.

#### **Supplies and Materials**

This category includes items such as textbooks, media, periodicals, paper, tests, cleaning supplies, small tools, lumber, metal, paint, hardware, uniforms, office supplies, classroom materials, etc.

#### **Payments to Other BOCES**

This classification is used to report expenses for services purchased from other Boards of Cooperative Educational Services, except for facility rentals.

#### **Employee Benefits**

The amounts reported in each of the various categories presented represent the Board of Cooperative Educational Services' share of employee benefits. Included in this line are amounts budgeted for New York State retirement systems, Social Security, workers' compensation insurance, health and dental insurance, attendance incentive, unemployment insurance, retirement incentive, and post-retirement benefits.

#### **Retiree Health Insurance**

By statute, retiree health benefits must be included in the Central Administration budget.

#### **Transfer Charges from Other Funds**

Costs shown in this category represent amounts transferred from other BOCES funds (e.g., school lunch and Career & Technical Education equipment reserve).

#### Transfer Charges from Operation and Maintenance of Plant

The amount shown in this budget category for each service program represents the share of the total costs for the operation and maintenance of the Board of Cooperative Educational Services facilities that has been prorated to the particular program.

#### **Transfer Charges from Other Service Programs**

Costs reported in this category represent charges to a BOCES service program for use of other services provided by HFM BOCES.

#### **Compensation & Expense Disclosure**

BOCES District Superintendents are compensated from two sources: the State of New York and the local BOCES. The 2020-21 proposed HFM budget includes a BOCES salary for the District Superintendent of \$123,263. This salary, combined with the state compensation of \$43,499, meets the Legislative salary cap for a BOCES District Superintendent. The employment agreement between the District Superintendent and the Cooperative Board will be limited to terms and conditions established by the State of New York for state employees in the Management/Confidential group. The District Superintendent will be provided health and dental insurance as an active employee of the BOCES. Additionally provided are: workers' compensation insurance, term life insurance, membership in the Teachers' Retirement System, and annual dues for professional organizations.

## **CAPITAL (LEASES)**

The Capital Budget by law must be reported separately and is not a part of the budget on which school boards vote.

The Capital Budget reflects costs associated with the rental of facilities that house programs and services provided by BOCES.

#### **DISTRICT LEASES**

BOCES compensates school districts that host BOCES programs, including special education classes. We

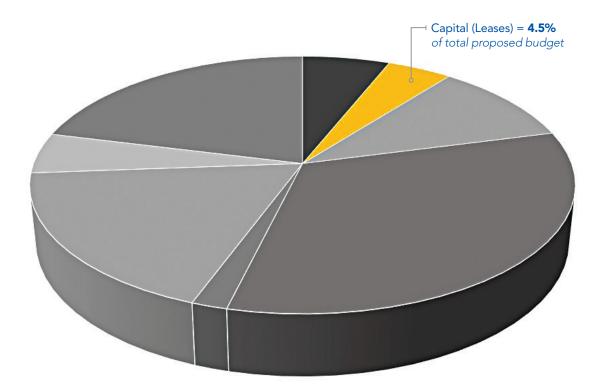

also attempt to lease space that is in a location most convenient for the transportation needs of all districts.

The Capital Budget costs are assessed on a RWADA basis. Component districts receive BOCES aid for rental expenditures in the same-year period.
