## WELCOME

On behalf of the Board of Education for HFM BOCES, welcome you to our team. We believe that every person at HFM BOCES—from our administrators to our instructional team to our support staff—is a critical part of our mission—to motivate and successfully equip students for their future after high school.

Our slogan, “Partner. Advocate. Leader.”, is more than just words. It represents a commitment to respond to the needs of our component school communities with dedication and passion.

Our region may lack some of the advantages of wealthier school districts around the state, but we do not lack in creative, committed, enthusiastic people who want to provide opportunities for our students to grow and succeed. We expect every member of our team to share that devotion.

BOCES is all about cooperation and collaboration. We appreciate the skills and gifts you bring to your employment here, and value the contribution you will make in the lives of the people you touch. This handbook equips you with the tools you need to fit seamlessly into our community and serve our students well.

Please take time to read this manual and to get to know us better by exploring HFM BOCES online at [www.hfmboces.org](http://www.hfmboces.org). Also, notice the wealth of online resources for employees at [www.hfmboces.org/employees/](http://www.hfmboces.org/employees/).

Again, welcome to HFM BOCES. If you have questions at any time during your employment, please contact your direct supervisor or the Human Resources Office.

The Federal Office of Civil Rights requires that a non-discrimination statement be included on any "bulletins, announcements, publications, catalogs, application forms, or other recruitment materials that are made available to participants, students, applicants, or employees."

## **Report of Possible Discrimination or Harassment (Board Policy 0010.1)**

HFM BOCES' policies expressly prohibit all forms of unlawful discrimination, bullying and harassment.

report is about conduct by the Compliance Coordinator(s), the report may be made to your supervisor or the District Superintendent.

- If you witness conduct directed at a student that may be harassment, bullying or discrimination, or receive an oral or written report of such conduct, you must report that to the Compliance Coordinator(s). You must make an oral report to the Compliance Coordinator(s) within one school day, followed by a written report to the Compliance Coordinator(s) no more than two school days after your oral report.
- It is each of our jobs to expand student/employee awareness of the problems of harassment, bullying and discrimination. All of our staff will be trained and then instructional staff will educate our students about appropriate, non-discriminatory behavior.

If you experience any form of harassment, bullying or discrimination, you should refer to Board Policy 0010.1 for more detailed information.

### **Code of Conduct (Board Policy 1100)**

It shall be your responsibility to maintain a climate of mutual respect and dignity for all students and staff. Be fair, firm and consistent in enforcing school rules in buildings, school buses, on the school campus and at school functions. Seek to develop a cooperative relationship with parents for the educational benefit of the student by keeping open communication. Report orally to your principal, the District Superintendent, or his/her designee any incident of harassment, bullying or discrimination that you witness or that is reported to you. Each division of the HFM BOCES has on record an appropriate procedure for out-of-school suspensions in accordance with Section 3214 of the Education Law.

### **Acceptable Attire (Board Policy 1100)**

Appropriate professional attire is expected to be worn by all staff members. Clothing shall be neat and clean. Staff dress standards set an example for students. Clothing that is not appropriate for students is not appropriate for staff. Conversely, clothing styles that are tolerated when worn by students may not be appropriate for staff.

### **Collaboration with Community Resources and Law Enforcement: (Board Policy 1100)**

- Law Enforcement Agencies and Juvenile Delinquency Complaints – Whether a particular act in violation of this Code is reported to a law enforcement agency shall be determined by the building administrator, in consultation with the Program Director. When BOCES utilizes a School Resource Officer (SRO) who is an employee of a law enforcement agency, the SRO shall be the initial point of reporting.

In general, the person against whom the act was directed should be identified as the complainant where the district attorney decides to initiate a juvenile delinquency
