**REQUIREMENTS FOR PROSPECTIVE STUDENTS/PARENTS:**

**Students must:**
- Currently be enrolled in school and pass the eighth grade.
- Meet with their school counselor to discuss the program and their application.
- Attend Prospective Student Night.
- Complete the all the requirements of the online application form by the deadline posted on the website.

**Parents must:**
- Complete the parent statement portion of the online application.
- Attend Prospective Student Night.

**OUTLINE OF THE ANNUAL APPLICATION & ENROLLMENT PERIOD**

- **November-December**
  Representatives from HFM PTECH will visit schools in the HFM region to present information to eighth-graders.

- **January-February**
  Applicants will visit PTECH and participate in interviews. These will be set by school counselors in each of the participating school districts. Students and their parents should plan to attend the Prospective Student/Parent Night at 6 p.m. Wednesday, Feb. 16, 2022, at Glebe Street School.

- **December-February**
  Applications open. All portions of the online application are due by Feb. 28, 2022. (hfmboces.org/ptech-applynow)

- **March**
  Application Review Committee meets.

- **April 2021**
  Acceptance and waitlist letters mailed to applicants.

**HOW APPLICATIONS ARE ASSESSED:**

All applications are reviewed by the Application Review Committee and scored on a rubric that considers your personal statement, recommendations, interview, academics, discipline history and the student interview.
